for Christian Help Center.

About the Christian Help Center in Vallejo

The Christian Help Center serves an average of 80,000 meals every year, including breakfast, lunch, and dinner daily all year long. Since it was founded in 1983, the center has served over 14,000 guests. 190 meals are served each day.

The center has 15 beds for homeless men, women and families with children. The center averages 500 homeless guests every year, provides job training as well as provides free clothes for those looking for jobs. In addition to shelter, food, laundry facilities and job training, the center provides free haircuts and hair styling.

Shelters are open to the general public and 24 hrs.

The demographics of the shelter population have changed over time. When the shelter first opened, guests were primarily men, but now there are more women, children, and people in their 20s or 30s. Still, it is composed primarily of former guests of the Christian Help Center.

Each guest is assigned a case manager who will assess the guest's needs and work with the individual to set up such things as goals. When a guest first arrives, he or she attends job readiness classes for two weeks. Classes include resume preparation and basic computer skills.

Additionally, guests attend sessions on developing and maintaining healthy relationships, anger management, money management and credit repair. When needed, guest job support groups or substance abuse. Committees from Catholic Social Services provide weekly counseling. If guest cannot work, representatives from the county social services agencies counsel them, and those who qualify are referred to the SST program. Employed guests are required to save a percentage of their wages, so as to accumulate enough funds to pay for permanent housing and related expenses. More on assistance, such as shelter furniture and household items, is also provided.

Please Get Involved

The appreciation of the community is central to our mission.

In the past, individuals, groups, friends, and family volunteers who have contributed to our shelter have helped us with donations and/or support will continue.

PRINT LEGACY GROUP POSTCARD

Project:

Legacy Group Postcard

Program(s) Used:

Adobe Photoshop and
Microsoft Publisher

Goal:

Create sales postcard
to advertise the Legacy
Groups commitment to
Habitat for Humanity.
